

VACUUM CASTING CAPABILITIES

MATERIAL

BENEFITS

APPLICATIONS

PX225

Tough ABS Simulant
Good impact resistance

Automotive trim
Electrical Housings
Low volume production

SG95

High strength
Impact resistance
Stiffness

Snap fits,
Wearable tech
Structural parts
Consumer goods casings

SORTA-CLEAR 40

High tensile and tear strength
Food safe and skin safe
Clear/translucent

Food containers
Moulds
Seals
Medical Components

VC3300

Range of Rubber hardness's
(35 - 95 Shore A)

Seals & Gaskets
Rubber Covers
Strain Reliefs

VC3385

Flame retardant - UL94 V-0

Electrical casings
Battery Housings
Automotive Parts
Smoke Alarm housings

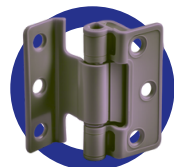

9012

Food safe

Food containers
Dry & Wet food use
Trial parts

PX205

Shock resistant
High Impact
Abrasion resistance

Polypropylene Simulant
Film Props

PX523

UV Stable
Clear Parts

External use Components
Electrical Housings
Art & Decorations
